RESERVE OFFICERS' TRAINING CORPS.

1. Organized under the provisions of sections 40 to 47c, inclusive, of the national defense act, as amended
2. Governed by Special Regulations No. 44, W. D., 1921.
3. Institutions at which units are organized are classified as follows:
   1. CLASS M. C.—Colleges and universities (including land-grant institutions) granting degrees, where the students are habitually in uniform and constantly under military discipline, and the average age on graduation is not less than 21, and where one of the leading objects is to develop students by means of military training. When at the annual inspection by the War Department the proficiency of the students in military training and its application has been found to be of superior character, such institutions are designated as "Distinguished Colleges" (D. C).
   2. CLASS M.—Essentially military institutions which do not confer a degree, in which the average age of the students on graduation is less than 21. When at the annual inspection by the War Department the proficiency of the students in military training and its application has been found to be of superior character, such institutions are designated as "Honor Military Schools" (H. M. S.).
   3. CLASS C.—Colleges and universities (including land-grant institutions) not essentially military, which grant degrees, and the average age of whose students on graduation is not less than 21. When qualified such institutions are designated as "Distinguished Colleges" (D. C.).
   4. CLASS S. M.—Institutions not included in any of the previous classes.—High schools having maintained especially high standards of military training and soldierly discipline, are designated as "Honor High Schools" (H. H. S.).

NOTE.—The letter "J" indicates a junior unit.

In the proper column opposite each institution is shown the basic class to which each belongs. Immediately following the name of the institution, if entitled to it, appear in parentheses the letters "D. C." or "H. M. S." or "H. H. S." as may be appropriate, and the years that they have been entitled to be so designated.
